25X1

The PKPG (State Economic Planning Commission) is working on plans for the reinforcement and expansion of the precision engineering industry. With this object in view, several factories of the electro-technical industry are to be adapted for precision engineering. Toward the end of 1952, the Electrical Machinery Factory A-14 (Fabryka Maszyn Elektrycznych A-14) in Pieliatow (Q 52/O 34), which mainly produced electrical machinery, was re-named Precision Products Factory (Fabryka Wzrobow Precyzynnych).
